The Serpentine. This is not a very appropriate name, but it is a charming piece of artificial and ornamental water. Boating is much practised here in summer, and in the winter skating parties are a common and pretty sight. In this water Shelley's wife, Harriet Westbrook, drowned herself.

Like those cards I dreamt enough. Cannot get any more Photo cards of Battleships here at present. The navy place to see them have run out. Hope you will like these. Been dreadfully cold here, snowed nearly all day. Fine. Your Bike news, Fred
